Independent Auditor's Report

To The Board of Directors,
Overtown Youth Center, Inc., and Affiliates
Miami, Florida

Opinion

We have audited the consolidated financial statements of Overtown Youth Center, Inc., and Affiliates (the Organization or OYC) (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Overtown Youth Center, Inc., and Affiliates, as of June 30, 2022 and 2021 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 28, 2023 on our consideration of OYC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering OYC's internal control over financial reporting and compliance.

Notes to Financial Statements

1. Nature Of Activities

The Overtown Youth Center, Inc. (Overtown) is a non-profit charitable organization established and incorporated in the State of Florida in February 2001, as a 501(c)(3) organization. Overtown is an inner-city youth development center in Miami, Florida established for the purpose of helping to improve the lives of at-risk youth in South Florida as well as to give children and families of Overtown a place that instills a sense of pride through education enhancement activities, team sports, employability skills and diverse exposure opportunities. The major program activities include educational enrichment, recreational activities, tutoring services and prevention initiatives for drugs, crime and violence.

Prior to November 30, 2019, Overtown was an affiliate of Mourning Family Foundation, Inc. (MFF), a non-profit organization established and incorporated in the State of Florida in March 2001, as a 501(c)(3) organization. MFF's mission is to encourage the educational development of youth by creating programs and youth enrichment centers that promote positive change in low socioeconomic communities. The major programs established include Zo's Winter Groove and other youth program events and activities in and outside the South Florida area. During the year ended June 30, 2018, MFF began a capital campaign for the renovation and expansion of the facilities of Overtown and expects to complete the project by February 2023.

Prior to November 30, 2019, Overtown was also related to Honey Shine, Inc. (HS), a non-profit organization established and incorporated in the State of Florida in September 2010, as a 501(c)(3) organization. HS's mission is to encourage the balance of mind, body, and soul in girls and young women by providing nurturing experiences that enlighten their paths and empower their futures. Overtown and HS were founded by the same family.

On November 30, 2019, Overtown acquired MFF and HS when the Board of Directors for the three organizations merged in an effort to operate more efficiently, leverage programmatic resources and create more consistency across the organizations. Prior to this, the organizations had separate boards and management. Overtown has majority control in the new collaborative board. Accounting principles generally accepted in the United States of America (U.S. GAAP) require the consolidation of entities under common control, with the entity with majority control as the reporting entity. Overtown did not pay any consideration in this transaction. Instead, it received all the assets and liabilities of MFF and HS as of the acquisition date, resulting in an inherent contribution of \$7,394,357 reported on the consolidated statement of activities for the year ended June 30, 2020. MFF and HS continue to be separate legal entities as of June 30, 2022 and 2021. The entities share key functional areas such as Executive Management, Human Resources and Finance.

During the year ended June 30, 2020, Overtown established OYC Property Holdings, Inc. (Holdings) to facilitate financing in arrangements structured under the New Market Tax Credit (NMTC) program. This program, enacted by Congress as part of the Community Renewal Relief Act of 2000, permits individual and corporate taxpayers to receive credit against federal and state income taxes for making Quality Equity Investment (QEI) loans in qualified community development entities (CDE). The NMTC transaction was effectuated during the year ended June 30, 2021 (Note 11).

OYC Property Holdings is a non-profit charitable organization established and incorporated in the State of Florida in February 2020, as a 501(c)(3) organization.

Overtown, MFF, HS and Holdings are collectively referred to as OYC or the Organizations.

Notes to Financial Statements

2. Summary Of Significant Accounting Policies

Basis of Consolidation

The consolidated financial statements reflect the consolidated financial position and results of operations and cash flows of Overtown, MFF, HS and Holdings. All intercompany transactions and balances have been eliminated upon consolidation.

Basis of Presentation

The consolidated financial statements of OYC are prepared on the accrual basis of accounting in accordance with U.S. GAAP. Assets are presented in the accompanying consolidated statements of financial position according to their nearness of their conversion to cash and liabilities according to their nearness of their maturity and resulting use of cash. Net assets, revenues, gains and losses are classified into two classes of net assets based on the existence or absence of donor-imposed restrictions.

Accordingly, net assets of OYC and changes therein are classified and reported as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of OYC's management and the Board of Directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of OYC or by the passage of time. Other donor restrictions are perpetual in nature, where the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the consolidated statement of activities.

Use of Estimates

The presentation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organizations are exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code) as charitable organizations whereby only unrelated business income, as defined by Section 509(a)(1) of the Code, is subject to federal income tax and under similar provisions of the Florida Statutes. The Organizations currently have no unrelated business income. Accordingly, no provision for income taxes has been recorded as of June 30, 2022 and 2021.

Overtown Youth Center, Inc. and Affiliates

Notes to Financial Statements

The Organizations recognize and measure tax positions based on their technical merit and assesses the likelihood that the positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. Interest and penalties on tax liabilities, if any, would be recorded in interest expense and other non-interest expense, respectively. No uncertain tax positions were identified by the Organizations as of June 30, 2022 and 2021.

The U.S. federal jurisdiction is the major tax jurisdiction where the Organizations file income tax returns. Overtown, MFF and HS are generally no longer subject to U.S. Federal or State examinations by tax authorities for fiscal years before 2019. All years since inception are open for examination by U.S. Federal tax authorities for Holdings.

Cash, Cash Equivalents and Restricted Cash

Cash and cash equivalents include cash held in checking and money market accounts with original maturities of three months or less. During the year ended June 30, 2022, OYC established restricted cash reserve accounts with closing proceeds from the NMTC transaction. The cash in these accounts is restricted to use for payment of NMTC fees (Note 11) and is shown within the line item Restricted cash - capital project and reserves on the accompanying consolidated statements of financial position. OYC also maintains restricted cash accounts with amounts received in connection with certain programs, such as the capital campaign project. Cash received from donors restricted as to purpose or time is considered restricted cash.

Total cash, cash equivalents, and restricted cash shown in the consolidated statements of cash flows includes cash and cash equivalents of \$3,941,029 and \$2,685,571 at June 30, 2022 and 2021, respectively, and restricted cash of \$6,088,677 and \$15,274,603, at June 30, 2022 and 2021, respectively, as reported in the consolidated statements of financial position.

Accounts Receivable

Accounts receivable include amounts due for program services and are primarily related to grants and contracts with government agencies. The allowance for doubtful accounts is OYC's best estimate of the amount of probable credit losses in OYC's existing accounts receivable. OYC determines the allowance based on a review of individual receivables for collectability. Account balances are charged off against the allowance after all means of collection have been exhausted and the potential for collection is considered remote.

Investments

OYC reports its investments in marketable securities with readily determinable fair values and all investments in debt securities at fair value in the consolidated statements of financial position.

Investment gains and losses (including realized and unrealized gains and losses on investments, interest and dividends) are included in the accompanying consolidated statements of activities as increases or decreases in net assets without donor restrictions unless income or loss is restricted by donor or law. Investment fees are reported net of investment income.

Overtown Youth Center, Inc. and Affiliates

Notes to Financial Statements

Pledges Receivable, Net

Pledges receivable represent unconditional promises to give that have been made by donors but are unpaid as of the fiscal year-end and consist primarily of unconditional pledges from individuals, corporations, and foundations. Donors' promises to give cash and other assets that are conditional are not recognized until the conditions on which they depend are substantially met. Pledges receivable, net represent uncollected promises and are stated at the estimated net present value of the future cash flows using a rate of return appropriate for the expected term of the promise to give at the time initially recognized. The interest rate used in computing the discount of the estimated future cash flows is 6%. All pledges are designated by the donors for the capital campaign project. No allowance was deemed necessary by management at June 30, 2022 and 2021.

Three and four donors account for 87% and 96% of pledges receivable as of June 30, 2022 and 2021, respectively. There were no conditional promises to give as of June 30, 2022 and 2021.

Property and Equipment, Net

Property and equipment is stated at cost at date of acquisition or fair value at date of donation in the case of gifts, less accumulated depreciation. Maintenance and repairs are charged to expense as incurred; significant renewals and betterments are capitalized. Construction in progress represents design and architectural costs incurred for the OYC building expansion (Note 1). Construction in progress is not depreciated until put into service. OYC's policy is to capitalize all property and equipment expenditures greater than \$1,000.

Depreciation and amortization is computed on a straight-line basis over the estimated useful lives of the related assets, as follows:

<u>Assets</u>	<u>Useful Life</u>
Automobiles	5 years
Computers and software	3 years
Furniture and fixtures	7 years

The carrying value of long-lived assets is reviewed if the facts and circumstances, such as significant declines in revenues, earnings or cash flows or material adverse changes in the operating climate, indicate that they may be impaired. If any impairment in the value of the long-lived assets is indicated, the carrying value of the long-lived assets is adjusted to reflect such impairment based on the fair value of the impaired assets or an estimate of fair value based on discounted cash flows. Management determined that there was no impairment of long-lived assets during the years ended June 30, 2022 and 2021.

Revenue Recognition

Transfers of cash or other assets or settlement of liabilities that are both voluntary and nonreciprocal are recognized as contributions. Contributions may either be conditional or unconditional. A contribution is considered conditional when the donor imposes both a barrier and a right of return. Conditional contributions are recognized as revenue on the date all donor-imposed barriers are overcome or explicitly waived by the donor. Barriers may include specific and measurable outcomes, limitations on the performance of an activity and other stipulations related

Overtown Youth Center, Inc. and Affiliates

Notes to Financial Statements

to the contribution. A donor has a right of return of any assets transferred or a right of release of its obligation to transfer any assets in the event OYC fails to overcome one or more barriers. Assets received before the barrier is overcome are accounted for as refundable advances.

Unconditional contributions may or may not be subject to donor-imposed restrictions. Donor-imposed restrictions limit the use of the donated assets but are less specific than donor-imposed conditions. Contributions received are measured at their fair values and are reported as an increase in net assets. Unconditional promises are recognized at the estimated present value of the future cash flows using a risk-free rate. OYC reports gifts of cash and other assets as restricted support if they are received with donor stipulations about the use of the donated assets, or if they are designated as support for future periods.

When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as Net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period in which received are reported as net assets without donor restrictions. OYC received donations from several sources including private individuals, corporations and private foundations.

Revenues from grants are recorded based upon terms of the grants agreement which generally provide that revenue is earned when the allowable costs of the specific grant provisions have been incurred or the allowable services are provided to program participants. The amounts received under these grants and contracts are considered contributions and are designated for specific purposes by the granting agencies and conditional upon the incurrence of allowable qualifying expenses.

For exchange transactions, OYC applies Accounting Standards Codification 606, Revenue from Contracts with Customers (Topic 606). Under Topic 606, revenue is recognized when a customer obtains control of promised goods or services in the amount that reflects consideration the entity is entitled to receive in exchange for those goods or services.

Overtown conducts special events in which a portion of the gross proceeds paid by the participant represents payment for the direct cost of the benefits received by the participant at the event—the exchange component, and a portion represents a contribution to Overtown. Unless a verifiable objective means exists to demonstrate otherwise, the fair value of meals and entertainment provided at special events is measured at the actual cost to Overtown. The contribution component is the excess of the gross proceeds over the fair value of the direct donor benefit.

In-kind Revenue and Expense

Donated items are reflected as support in the consolidated financial statements at their fair market values at date of receipt. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by OYC. Volunteers also provided services throughout the year that are not recognized as contributions in the consolidated financial statements since the recognition criteria were not met. In addition, OYC has a property lease agreement with the City of Miami (Note 14).

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the consolidated statements of activities. Certain administrative personnel perform duties which include both program and support functions. The expenses associated with these personnel are allocated based on the estimated hours devoted to each function. Other common administrative expenses are allocated based on the estimated utilization by the respective function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Adopted Accounting Pronouncement

Contributed Nonfinancial Assets

In September 2020, the Financial Accounting Standards Board (FASB) issued an accounting standard update which amends guidance for not-for-profit entities that receive contributed nonfinancial assets. The update requires not-for-profits to present contributed nonfinancial assets as a separate line item in the consolidated statement of activities, and to disclose information regarding each type of contributed nonfinancial asset. The update is to be applied on a retrospective basis and is effective for annual reporting periods beginning after June 15, 2021, and for interim reporting periods beginning after June 15, 2022. OYC adopted the pronouncement during the year on a retrospective method on July 1, 2021. As a result of the adoption, the Organization segregated contribution of nonfinancial assets on the consolidated statements of activities and added a related disclosure.

Recent Accounting Pronouncements

Lease Accounting

In February 2016, the FASB issued an accounting standard update which amends existing lease guidance. The update requires lessees to recognize a right-of-use asset and related lease liability for many operating leases now currently off-balance sheet under current U.S. GAAP. Also, the FASB has issued amendments to the update with practical expedients related to land easements and lessor accounting. OYC does not anticipate the update having a material effect on its results of operations or cash flows, though such an effect is possible. OYC is currently evaluating the effect the update will have on its consolidated financial statements.

The update originally required transition to the new lease guidance using a modified retrospective approach which would reflect the application of the update as of the beginning of the earliest comparative period presented. A subsequent amendment to the update provides an optional transition method that allows entities to initially apply the new lease guidance with a cumulative-effect adjustment to the opening balance of equity in the period of adoption. If this optional transition method is elected, after the adoption of the new lease guidance, OYC's presentation in the consolidated financial statements will continue to be in accordance with current lease accounting. OYC is evaluating the method of adoption it will elect. The update is effective for fiscal years beginning after December 15, 2021, and for interim periods within fiscal years beginning after December 15, 2022, with early adoption permitted.

Reference Rate Reform

In March 2020, the FASB issued an accounting standard update to provide guidance related to recognizing the effects of reference rate reform on financial reporting. The update applies to all entities that have contracts, hedging relationships, or other transactions that reference LIBOR or another reference rate expected to be discontinued. Entities may elect to apply the update prospectively through December 31, 2022. In December 2022 FASB issued accounting standards update 2022-06 to defer the sunset date from December 31, 2022 to December 31, 2024. OYC is currently evaluating the potential accounting, transition, and disclosure effects the update will have on its consolidated financial statements.

3. Liquidity Management and Availability of Resources

OYC maintains a policy of structuring its financial assets to be available as its general expenditures, liabilities and other obligations come due. In managing its liquidity needs, OYC monitors and maintains a cash float to cover general operating expenditures and operates on a strict budget. Additionally, OYC has a line of credit available with total borrowing capacity of \$150,000, which can be used to meet general expenditures (Note 13).

7. Fair Value Measurements

The FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under the FASB ASC are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the University has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Overtown Youth Center, Inc. and Affiliates

Notes to Financial Statements

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Fixed income securities are valued at the closing price reported in the active market in which the individual securities are traded.

Equity securities are valued at the closing price reported in the active market in which the individual securities are traded.

The carrying amount of all financial assets and liabilities (except long term pledges receivables and the NMTC assets/liabilities) approximates fair value because of their short-term nature or market rates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although OYC believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table represents OYC's financial instruments measured at fair value on a recurring basis at June 30, 2022 for each of the fair value hierarchy levels:

Description	Fair Value 6/30/2022	Fair Value Measurement at Reporting Date Using:

Less: accumulated depreciation and amortization	(176,046)	(218,274)
	\$ 15,642,175	\$ 6,894,875

Depreciation and amortization expense was \$21,565 and \$24,313 for the years ended June 30, 2022 and 2021, respectively. Interest expense capitalized into Construction in progress was approximately \$38,000 and \$61,000 for the year ended June 30, 2022 and 2021, respectively.

Construction in progress of \$15,608,077 and \$6,839,212 as of June 30, 2022 and 2021, respectively, relates to planning and construction of the new OYC facility. The estimated remaining cost to complete is approximately \$3,734,000 as of June 30, 2022. The remaining commitment to the main general contractor is disclosed in Note 18.

	\$ 1,550,000	\$ 1,683,135

10. Paycheck Protection Program

During the year ended June 30, 2020, the Overtown and HS applied for, and received, funds under the United States Business Administration (SBA) Paycheck Protection Program (PPP) in the amounts of \$360,000 and \$36,900, respectively. The application for these funds required Overtown and HS to, in good faith, certify that the current economic uncertainty made the loan request necessary to support their ongoing operations. This certification further required them to take into account its current business activity and its ability to access other sources of liquidity sufficient to support ongoing operations in a manner that is not significantly detrimental to the business.

The receipt of these funds, and the forgiveness of the loan attendant to these funds, was dependent on Overtown and HS having initially qualified for the loan and qualifying for the forgiveness of such loan based on its future adherence to the forgiveness criteria. Funds are eligible for forgiveness to the extent that they are used to cover certain payroll, rent and utility costs and if Overtown and HS retain employees during a specified period of time.

The SBA has stated that all PPP loans in excess of \$2 million, and other PPP loans as appropriate, will be subject to review by the SBA for compliance with program requirements. If the SBA determines in the course of its review that a borrower lacked an adequate basis for the required certification concerning the necessity of the loan request or the subsequent use of loan proceeds, the SBA will seek repayment of the PPP loan, including interest and potential penalties.

Overtown and HS received formal forgiveness from the SBA for the full loan amounts during the year ended June 30, 2021.

11. NMTC - Notes Receivable and Notes Payable

NMTC notes receivables are comprised of the following at June 30:

Overtown Youth Center, Inc.	2022	2021
USBCDC Investment Fund 300, LLC with interest accruing at an annual rate of 1%. Interest-only quarterly payments are due through July 2027 (Compliance Period) and then principal and interest payments of \$145,357 due quarterly through maturity in July 2050.	\$ 2,973,400	\$ 2,973,400
TNT-Overtown NMTC Fnd, LLC with interest accruing at an annual rate of 1%. Interest-only quarterly payments are due through July 2027 (Compliance Period) and then principal and interest payments of \$582,958 due quarterly through maturity in July 2050.	9,559,500	9,559,500
	\$ 12,532,900	\$ 12,532,900

In order to fund the NMTC notes receivable, Overtown obtained a bridge loan from a financial institution of \$4,000,000 (Note 12), and also received contributions from related parties of \$8,000,000. In addition, to fund the pay down on the bridge loan during the year, Overtown received an additional approximately \$1.25 million from related parties. These related party transactions are eliminated upon consolidation. Interest income received by Overtown from the notes receivable was \$125,329 and \$62,316 during the year ended June 30, 2022 and 2021, respectively, and was eliminated upon consolidation.

NMTC notes payable are comprised of the following at June 30:

OYC Property Holdings, Inc.	2022	2021
CSDP Subsidiary CDE 13, LLC		
Loan A - 1	\$ 500,000	\$ 500,000

	18,320,000	18,320,000
Less: Debt issuance costs of \$820,726, net of accumulated amortization of \$36,749 and \$12,250, respectively.	(783,977)	(808,476)
	\$ 17,536,023	\$ 17,511,524

Overtown Youth Center, Inc. and Affiliates

Notes to Financial Statements

The notes payable to CSDP Subsidiary CDE 13, LLC totaling \$3,920,000 accrue interest at an annual rate of 1.16%. Interest-only quarterly payments are due through July 2027 (Compliance Period) and then principal and interest payments of \$165,605 are due through maturity in July 2054.

The notes payable to FCNMF 31, LLC totaling \$14,400,000 accrue interest at an annual rate of 1.084%. Interest-only quarterly payments are due through July 2027 (Compliance Period) and then principal and interest payments of \$618,648 are due through maturity in July 2054.

Interest expense paid to CSDP Subsidiary CDE 13, LLC and FCNMF 31, LLC was \$190,200 and \$100,224 during the year ended June 30, 2022 and 2021, respectively.

In July 2020, Holdings obtained financing in an arrangement structured under the NMTC program. The NMTC program is administered by the United States Treasury and is designed to encourage capital investment and business operations within distressed or highly census tracts by offering investors a federal tax credit over a seven-year period (the Compliance Period) in exchange for the investments.

Under IRS guidelines for the NMTC program, Overtown was required to provide investment funding (leverage loans) into Qualified Equity Investment (QEI) funds: (1) USBCDC Investment Fund 300 (USBCDC), owned by U.S. Bancorp Community Development Corporation and (2) TNT-Overtown NMTC Fund, LLC (TNT), owned by The Northern Trust Company. The first seven years of the notes are defined as the Compliance Period. During the Compliance Period, only interest is paid. Thereafter, the loans are amortized with principal and interest payments required through maturity. Overtown used funds raised for the capital campaign and the bridge loan (Note 12) to fund these leverage loans. The leverage loans are recorded as New Market Tax Credit (NMTC) notes receivable in the accompanying consolidated statements of financial position.

As a component of the NMTC transaction, Holdings, also known as the Qualified Low-Income Community Investment (QLICI), received two loans from CDEs: (1) CSDP Subsidiary CDE 13, LLC (CSDP) and (2) FCNMF 31, LLC (FCNMF). USBCDC is the majority owner in CSDP, and TNT is the majority owner in FCNMF. During the Compliance Period, only interest is paid. Thereafter, the loans are amortized with principal and interest payments required through maturity. The loans are recorded as NMTC notes payable in the accompanying consolidated statements of financial position and are recorded net of debt issuance costs.

There are put and call agreements between the Organizations and the other investors in the QEI funds (which have ownership interests in the CDEs making the loans). If the other investors do not exercise their put options, Organizations have the ability to call the ownership in the interest in the QEI funds for fair market value. It is anticipated that the NMTC investors will put their option, and Organizations will own the QEI funds at the end of the Compliance Period. However, if the other investors do not put their interest, management plans to exercise its option to call. By acquiring the ownership interests, Organizations would be in a position to forgive the NMTC notes payable, resulting in substantial reduction in outstanding debt and recognition of the benefits from the NMTC program (in turn, it is expected that the Organizations would forgive the NMTC notes receivable).

In July 2027, the NMTC Compliance Period will end. In the opinion of management, it is expected that the other investors in the QEI funds will exercise their put option related to the transaction, which will retire the debt and the related notes receivable.

12. Bridge Loan

As part of the NMTC transaction (Note 11), Overtown entered into a non-revolving loan agreement with The Northern Trust Company for a total of \$4,000,000. The loan is payable in a single installment due on July 2, 2025, the maturity date and quarterly interest only payments are due until maturity. The loan bears interest at the greater of (i) the Rate Margin of 1.75% or (ii) the sum of the Overnight LIBOR plus the Rate Margin. The interest rate on the loan was 3.32% and 1.84% at June 30, 2022 and 2021, respectively. The loan has a balance of \$1,250,000 and \$2,500,000 at June 30, 2022 and 2021, respectively. Total interest expense paid during the year ended June 30, 2022 and 2021 was approximately \$38,000 and \$61,000, respectively, and was fully capitalized into construction in progress.

13. Lines of Credit

MFF has a revolving line of credit from a financial institution with a maximum borrowing amount of \$150,000. The line of credit has been renewed several times and its current maturity date is November 15, 2024. Subsequent to the year ended June 30, 2022, the line of credit was renewed and amended to increase the maximum borrowing rate to \$500,000. The line of credit has a variable interest rate based on the Wall Street Journal prime rate plus 2.39% and cannot be less than 5.39%, resulting in an interest rate of 7.14% and 5.65% at June 30, 2022 and 2021, respectively. The line of credit is secured by receivables and property and equipment. There was no interest expense in connection with line of credit during the year ended June 30, 2022 and 2021. There were no borrowings on the line of credit during the year ended June 30, 2022. There was no balance outstanding as of June 30, 2022 and 2021.

15. Property Lease

In 2000, Overtown entered into a five-year lease agreement with the City of Miami for the use of property upon which facilities were constructed by OYC to provide public educational and recreational opportunities to inner-city youth and their families in the Overtown area. Overtown has exercised several options to extend the agreement and currently the lease is valid until February 2066. The lease stipulates that Overtown pay the City of Miami an annual rent of one dollar. Overtown is also responsible for the operation and maintenance of the premises.

16. Significant Grantors and Contributors

OYC receives revenue from various sources, which help fund the operational activities of the center and fund the capital project. Two and one donors accounted for 28% and 18% of total contributions from the public during the years ended June 30, 2022 and 2021, respectively. Three donors accounted for 87% and 73% of total grant revenue during the years ended June 30, 2022 and 2021, respectively.

17. Net Assets

Net assets without donor restrictions are used to support the operating activities of OYC. The major program activities are described in Note 1.

Net assets with donor restrictions consist of the following at June 30:

<i>As of June 30,</i>	2022	2021
Restricted by donors with specific purpose restrictions:		
Dinner program	\$ 673,711	\$ 630,579
Scholarship program	47,989	48,172
Perpetual endowment and related accumulated earnings	1,063,781	1,161,642
Capital project	13,723,199	12,456,307
Restricted by donors with time restrictions:		
Pledges receivable for capital project	2,654,576	3,068,468
	\$ 18,163,256	\$ 17,365,168

The dinner program is designed to ensure that children and adolescents are provided with meals during after-school hours. The scholarship program is designed to help young adults pay for incidental costs and fees to attend higher level educational institutions. Unappropriated earnings from the endowment are recorded as net assets with donor restrictions until they are appropriated. Funds collected for the capital project are restricted until the purpose restrictions from the donor are met.

Notes to Financial Statements

During the year ended June 30, 2009, Overtown received contributions to establish an endowment. The endowment was established to help Overtown in perpetuity to carry out its mission. Up to 5% of the endowment earnings can be appropriated for expenditure (Note 18).

Changes in and releases from restrictions are summarized below:

<i>As on June 30,</i>	2022	2021
Dinner program	\$ 100,000	\$ 300,300
Scholarship program	-	-
Endowment-related earnings	(97,861)	123,242

Program restriction accomplished - scholarships	(184)	(310)
Total Releases from Restrictions	\$ (57,052)	\$ (75,294)

18. Endowment

Overtown's endowment consists of individual funds established for a variety of purposes and is comprised of donor-restricted funds. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The State of Florida adopted the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA). Overtown has interpreted the FUPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, Overtown classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund not held in perpetuity is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by Overtown in a manner consistent with the standard of prudence prescribed by FUPMIFA.

OYC considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment fund earnings:

- (1) The duration and preservation of the fund
- (2) The purposes of Overtown and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of Overtown
- (7) The investment policies of Overtown.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor requires Overtown to retain as a fund of perpetual duration, which was \$670,000 for the years ended June 30, 2022 and 2021. In accordance with U.S. GAAP, no deficiencies of this nature existed at June 30, 2022 and 2021.

Return Objectives and Risk Parameters

Overtown has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that Overtown must hold in perpetuity or for a donor-specified period(s). Overtown expects its endowment funds, over time, to provide a rate of return in excess of the original donor-restricted principal. Actual returns in any given year may vary.

Strategies Employed for Achieving Objectives

Overtown's endowment assets are invested in fixed income and mutual funds. Overtown has adopted an investment policy designed to optimize returns without exposure to undue risk. The policy takes into consideration that fluctuating rates of return are characteristic of the securities market, therefore the greatest concern is long-term appreciation of the assets and consistency of total portfolio returns.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The principal amount cannot be expended; however, the earnings generated by the original donated principal are available to be expended. Management has executed an endowment policy authorizing up to 5% of earnings be set aside for Overtown's operational activities if deemed necessary. In establishing this policy, Overtown considered the long-term expected return on its endowment. Accordingly, over the long term, Overtown expects the current spending policy to allow its endowment to grow.

19. Commitments and Contingencies

Grants

OYC participates in a number of federal, state and local grant assistance programs. Amounts received and expended under various federal, state and local programs are subject to audits by governmental agencies and/or other agencies to determine if activities undertaken by OYC comply with conditions of the grants. Management believes that no material liability will arise from any such audits.

Operating Leases

On November 30, 2019, Overtown assumed MFF's operating office lease which is leased on a month-to-month basis. Rent expense in connection with this lease was approximately \$12,000 during the years ended June 30, 2022 and 2021, respectively. OYC also assumed a lease for office equipment expiring in November 2023. The approximate future minimum lease payments are as follows for the years ending June 30:

Years	Amount
2023	\$ 8,000
2024	2,700
Total	\$ 10,700

Construction Contract

During the year ended June 30, 2020, OYC Property Holdings, Inc. (Note 1) entered into a construction contract with an unrelated third party for the construction of the OYC facilities. The estimated remaining commitment under the contract is approximately \$3,205,000 as of June 30, 2022.

20. Risks and Uncertainties

Concentration of Credit Risk

Financial instruments which potentially subject OYC to concentrations of credit risk consist principally of cash, cash equivalents and restricted cash, receivables and investments. OYC places its cash and cash equivalents and investments with highly rated financial institutions, and, by policy, limits the amount of credit exposure to any one institution. Although cash balances may exceed federally insured limits at times during the year, OYC has not experienced any losses in such accounts.

Accounts receivable, including grants and contracts receivable, credit risk is limited due to the nature of the grants and contracts. OYC regularly monitors its grants and contracts receivable by investigating delayed payments and differences when payments received do not conform to the amount billed. OYC considers all receivables as collectible.

Litigation

In the ordinary course of business, OYC is involved in various legal proceedings. Based upon OYC's evaluation of the information presently available, management believes that the ultimate resolution of any such proceedings will not have a material adverse effect on OYC's financial position, liquidity or results of operations.

Cybersecurity event

In October 2021, OYC learned that it was the target of a cybercriminal attack and that portions of its computer network were infected with malware. Management immediately took systems offline and with the help of cybersecurity professionals, launched an investigation into the nature and scope of the incident. Management does not believe that any data was compromised. Management evaluated the governmental and regulatory notification requirements and notified the Federal Bureau of Investigation. Management evaluated the effect on the OYC's operations and financial condition and there have been no costs to date. Given the uncertainty associated with cybercriminal attacks, there could be potential losses in the future that might affect the OYC's operations or financial condition. Management has not recorded any amounts in the consolidated financial statements due to this uncertainty.

21. Subsequent Event

OYC has evaluated subsequent events through February 28, 2023, which is the date the consolidated financial statements were available to be issued, and except as noted herein, there are no other subsequent events requiring adjustments to the consolidated financial statements or disclosures stated herein.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors
Overtown Youth Center, Inc. and Affiliates

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Overtown Youth Center, Inc. and Affiliates (OYC) (a nonprofit organization), which comprise OYC's consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated February 28, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered OYC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of OYC's internal control. Accordingly, we do not express an opinion on the effectiveness of OYC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether OYC's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of OYC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering OYC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
