	<p>Super Saturdays</p> <p>Super Saturdays is an initiative created to give students a place of refuge and an opportunity to delve into special projects, interact with mentors and volunteers. Throughout the day, youth receive academic support in core subjects like reading, math, and science as well as learn strategies designed to help them do well on standardized tests. Youth also have the option to choose between innovative enrichment programs focused on Science, Technology, Engineering, Art, and Math (STEAM).</p>	<p>10X p/year (January – May) Weekend Programming focused on academic support and enrichment</p>	<p>K-12</p>	<p>Average 75 Students</p>
	<p>Jewel Summit</p> <p>This Summit is designed to uplift, empower girls, mothers, and women from all walks of life. This summit is created to promote health, wellness and to build strong bonds with each other. The Jewel Summit also serves a gender specific staple event to promote and foster leadership, civic advocacy, and to motivate females of all ages to pursue their purpose and passions without fear, doubt, or limitations.</p>	<p>Annually Gender-Specific Special Event</p>	<p>K-12; Families</p>	<p>125</p>
	<p>Band of Brothers Summit</p> <p>Originally conceptualized as the annual Save Our Sons (SOS) Summit, OYC Miami began an initiative aimed at developing and enhancing the lives of males, primarily in the Overtown community. SOS was established with an immediate emphasis on addressing low male achievement factors by linking mentoring and training programs with male youth and their families. The ultimate goals are to establish mentorship opportunities and create lifelong partnerships capable of stemming the tide of failing support systems for young men living in urban communities. This event seeks to eradicate the absence of positive role models while closing the gap in the current void of optimal career development. In 2022, this event was re-conceptualized and renamed in order to shift the narrative from viewing young men as needing to be “saved” to fostering an environment that teaches, cultivates, and affirms young men.</p>	<p>Annually Gender-Specific Special Event</p>	<p>K-12; Families</p>	<p>125</p>
